**ADMINISTRATIVE LAW JUDGE'S RULING

EXHIBITS INTO EVIDENCE**

These proceedings, although not consolidated, had combined hearings with shared issues. To complete the records, a few remaining items must be attended to, and receipt of exhibits into evidence is clarified.

Therefore, **IT IS RULED** that:

1. The exhibit lists for Pacific Gas and Electric Company, Southern California Edison Company, San Diego Gas and Electric Company, and the Commission's Office of Ratepayer Advocates are received as Reference Items one through four, respectively, in both proceedings.

2. The late filed exhibit entitled, “2002 Nuclear Decommissioning Cost Triennial Proceeding Cross Examination Answers of Witness Thomas A. LaGuardia-Common Issues (Questions 1, 2, 4-9, and 13-18)” is marked for identification as Exhibit PG&E-7, and received into evidence in both proceedings.

3. The late-filed exhibit entitled, “2002 Nuclear Decommissioning Cost Triennial Proceeding Cross Examination Answers of Witness Thomas A. LaGuardia-Questions and Answers Specific to PG&E (Questions 3,10-12, and 19-21)” is marked for identification as Exhibit PG&E-8, and received into evidence in A.02-03-020.

4. Clarification: (1) All exhibits containing common issues were received into evidence in both proceedings. The portions of those exhibits not pertaining to common issues may only be used in the proceeding addressing the utility to which they pertain. (2) All exhibits not pertaining to common issues were received into evidence only in the proceeding addressing the utility to which they pertain.
